Disposable timing chips are attached to the back of the race bib. Do not remove or peel the plastic timing devices from the race bib. Attach the race bib to the front of the body only, by pinning the bib in the holes at the four corners. Please make sure that the race bib is kept flat and not folded or crumpled. The race bib is allocated to the person nominated on the entry form and is non-transferable to another person. The race bib must remain in its issued form.

Note: WAMC Members, you will not require your cloth bib or WAMC shoe timing chip.

FIRST AID

First Aid will be located at the finish line.

If you require first aid assistance on course, please notify a drink station attendant or course marshal who will be able to phone for help.

HEALTH & SAFETY

Entrants must not take pets on the run. Skate boards, roller-skates / rollerblades or similar devices are strictly forbidden due to the risk of injury to participants. The event is held on shared paths; we do not have exclusive use of pathways. All runners will assemble in the advised start area and obey Officials' directions whilst awaiting the official start.

To ensure your safety and that of everyone in the race, the use of headphones or any musical device is strongly discouraged. Use of headphones is a safety hazard as it may compromise a participant's ability to hear critical safety and/or directional instructions, especially instructions that may arise in an emergency.
